Commercial (for your business)

A professional Internet service that can keep pace with your growing business—and even boost your productivity! Business is just that—a no-nonsense, high-speed, always-on connection that gives you instant access to the critical information you need, when you need it. With its advanced satellite technology,

HughesNet bypasses dial-up delays to deliver a secure, reliable broadband connection around the clock—so you can make the most of your business day. HughesNet delivers high-speed Internet over satellite—not over your telephone line—you can work online and have your phone or fax line free for customer communications. Built for growing businesses like yours, with download speeds of up to 2Mbps, HughesNet allows multiple employees fast access to the Internet simultaneously.
